DAY 1 – ECHUCA to PERRICOOTA STATION

PS Emmylou departs the historic Port of Echuca downstream, watch for the many species of birds and wildlife as you enjoy a light lunch. Early evening, we arrive at Perricoota Station, first settled by James Maiden in 1843 to become a famous Merino Sheep & Fruit property. Tonight, join your fellow passengers for a fabulous 3 course Dinner in the Packing Shed overlooking the Murray River before retiring to your cabin aboard PS Emmylou

DAY 2 – WETLANDS ECO & WINERY TOUR

After breakfast, you commence your half day excursion traveling to Barmah where you enjoy an Australian morning tea. It is then all aboard MV Kingfisher for a Wetlands Cruise with expert guide to share the secrets of the local flora and birdlife. Your cruise travels the narrowest section of the Murray River, called 'Barmah Choke' where the river travels at almost twice the normal speed.

The Murray River here ranks as the world's largest stand of River Red Gum. It is a wildlife haven for 236 bird species, 50 mammals and more than 500 plant species. We then visit one of the region's top food producers, Pacdon Park, where you can sample some of their fine UK small goods and hear from the owners. It is then time for lunch, we visit Morrisons Riverside Winery overlooking the Murray River to enjoy a 2-course lunch with complimentary tastings.

After lunch we return to Perricoota Station to board PS Emmylou. This afternoon relax with a drink on the Saloon Deck watching the riverbank glide by as we cruise up river. Tonight enjoy a fabulous 5 course dinner as the sun sets over the river and the stars begin to appear. Overnight bush mooring.

DAY 3 – RIVER CRUISING to LAYFIELD LANE

Before breakfast enjoy a nature walk along the riverbank before we set sail for a full day of cruising up river. Time to relax with that favorite book or visit the Skipper in the wheelhouse to try your hand steering the Emmylou, or just take in the natural beauty of the river, birds and wildlife. After a leisurely lunch, you are welcome to join in helping the Chef prepare some traditional Australian scones ready for afternoon tea with fresh local jams and cream. What could be more Australian!

Early evening, we pull into our mooring at Layfield Lane. Here you can take a swim in the river, go bushwalking, try your luck fishing or relax with a pre-dinner drink. Tonight, enjoy our signature Riverside Grand Dining under the stars with campfire.

DAY 4 – LAYFIELD LANE to ECHUCA

After breakfast, we return this morning to the Port of Echuca arriving at 9.30am where we say farewell.
