Welcome aboard, your journey begins with a scenic coach transfer from Echuca to Torrumbarry, where the majestic **PS Australian Star** awaits. As you step aboard, you'll be welcomed into a world of timeless river charm. Once underway, settle in with a traditional **afternoon Devonshire tea** as Emmylou gently cruises upstream—your first taste of life on the Murray.

Take in the tranquil beauty of the riverbanks, get acquainted with your fellow travellers, or visit the **wheelhouse** for a friendly chat with the Captain and a behind-the-scenes look at Australian Star's authentic wood-fired steam engine. Or simply unwind in the comfort of your private Stateroom and let the river's rhythm ease you into holiday mode.

Dinner is a highlight of the evening: a **chef-prepared welcome feast** made with fresh, locally sourced ingredients. Afterward, we moor at **Norris Bend**, where—weather permitting—a crackling **riverside campfire** awaits. Gather with new friends under a blanket of stars, sharing stories and soaking in the peace of the Australian bush.

Day 2. History, Flavour & Riverside Stories

After a hearty breakfast, **PS Australian Star** cruises gracefully to the storied **Perricoota Station**—a historic property first settled by James Maiden in 1843. Immortalised in the beloved TV mini-series *All the Rivers Run*, this picturesque station served as a filming location where our very own **PS Emmylou** appeared as the fictional PS Providence.

From here, you'll depart for a special visit to **Murray Gums Estate**, a boutique producer of premium wines and award-winning olive oils. Meet the passionate owners, explore the estate, and savour a gourmet lunch featuring the best of local produce, perfectly paired with **estate-grown wine and olive oil tastings**.

Dinner tonight is a highlight—served alfresco on the **deck of PS Australian Star**, overlooking the grandeur of Perricoota Station. As night falls, settle in under the stars for **Movie Night**, featuring *Riverboats Remembered*—a captivating historical documentary that brings the paddle steamer era to life through rare archival footage spanning from the early 1900s to the mid-1970s.

Day 3. River Reflections & Riverside BBQ

For early risers and photography enthusiasts, **morning mist drifting over Perricoota Station** offers a magical start to the day. Keep an eye out for native wildlife stirring along the banks—a peaceful and unforgettable moment best enjoyed with a warm cup in hand.

After a hearty breakfast, **PS Australian Star** steams gracefully **upstream**, continuing her journey toward tonight's destination at the tranquil **Layfield Lane mooring**. This is a day for pure relaxation—lounging on the sun deck with a book, enjoy quiet moments watching the ever-changing scenery, or simply savour the gentle rhythm of the river.

As evening falls, the day culminates in a **signature riverside experience**—our **much-loved Australian BBQ dinner*** under the stars (weather permitting). Tables set with soft candlelight and the crackle of a nearby **campfire** create a warm, welcoming atmosphere. Enjoy **live entertainment** as you unwind with fellow guests, sharing stories and laughter beneath the southern sky.
